Global Alternatives Virtual Conference

January 21 - 29, 2021

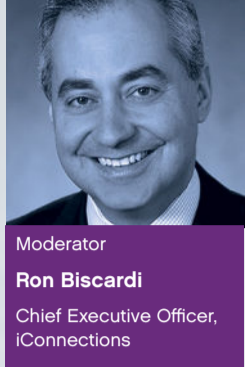

Capital Introductions Reinvented

Allocator led 1:1s, Peer-to-Peer Networking, Coffee Chats, Virtual Cocktail Hours and more. Alternative investment industry's premier meeting of managers and allocators.

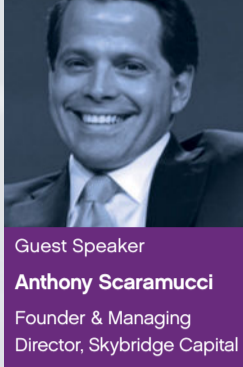

As we advance into a late-stage pandemic while dealing with the fallout of the most divisive US election in history – against the backdrop of global geopolitical and societal shifts – we need to understand what the future may hold.

The road ahead for 2021 offers hope, opportunity, and a chance to capitalize on the tough lessons of the last year. The iConnections Global Alternatives Virtual Conference brings together some of the world's most insightful experts in politics, economics, technology, healthcare and investment to share the inside view of what to expect ahead.
