PRIVATE IS THE NEW PUBLIC: PRIVATE MARKET PORTFOLIO DISRUPTION

With the proliferation of alternative investment platforms aimed at retail investors and yield hungry pension funds growing their alternative investment exposure, is private equity and debt poised to overtake investor's public exposures? What does it take for private equity firms to offer retail options? And lastly, what level of transparency should private market firms be willing to offer their investors.

VENTURE CAPITAL: GETTING IN ON THE GROUND LEVEL

The rapid growth in direct deal investing has only continued to escalate as more investors are seeking access to companies earlier in their lifecycle. Deal sizes are getting bigger, and firms seem to be backing fewer transactions, but also muddying the waters are newer entrants. What are the best ways to back entrepreneurs early and often?
